The Service Charge is a readiness-to-serve charge which is applicable to all metered service and to which is added the charge for water used computed at the Quantity Rate.

SPECIAL CONDITIONS

1. The annual service charge applies to service during the twelve-month period commencing July 1, and is due in advance. If a permanent resident of the area has been a customer of the utility for at least twelve months, he may elect at the beginning of each year to pay prorated service charges in advance at intervals of less than one year in accordance with the utility's established billing cycle.
2. The opening bill for metered service, except from conversion from flat rate service, shall be the established annual service charge for the service. Where initial service is established after the first day of any year, the portion of such annual charge applicable to the current year shall be determined by multiplying the annual charge by one three-hundred-sixty-fifth (1/365) of the number of days remaining in the year. The balance of the payment of the initial annual charge shall be credited against the charges for the succeeding annual period. If service is not continued for at least one year after the period of initial service, no refund of the initial annual charges shall be due the customer.
3. The established billing cycle is every other month (bi-monthly). The billing cycle may be at longer intervals during the winter season.
4. The SDWBA (Safe Drinking Water Bond Act) surcharge is in addition to the water bill. This surcharge shall be identified on each bill. The surcharge is specifically for the repayment of the California SDWBA loan authorized by Decision No. 88-01-037.
5. In accordance with Section 2714 of the California Public Utilities Code, if a tenant in a rental unit leaves owing the company, service to subsequent tenants in that unit will, at the company's option, be furnished on the account of the landlord or property owner.
6. A late charge will be imposed per Schedule No. RV-6.
7. All bills are subject to the reimbursement fee set forth on Schedules No. UF.
8. All bills are subject to credits as shown on Schedule RSF.
9. Qualifying low-income customers are eligible for credits as shown on Schedule RSF.
10. All bills are subject to the surcharge shown on Schedule RSF except bills to customers enrolled in the low-income RSF program.

(Coast Springs Division)
RESIDENTIAL METERED SERVICE

APPLICABILITY

Applicable to all metered water service furnished to individual residential units.

TERRITORY

Dillon Beach and vicinity, located approximately 4 miles west of Tomales, Marin County.

RATES

Quantity Rates per bimonthly billing period:

For the first 400 cu. ft. of water delivered, per 100 cu. ft. \$ 12.9257
All additional water delivered, per 100 cu. ft. \$ 14.8652

| Service Charge: | Per Meter Per Month |
|--------------------------------|------------------------|
| For 5/8 x 3/4-inch meter | \$ 28.00 |
| For 3/4-inch meter | 42.00 |
| For 1-inch meter | 70.00 |
| For 1-1/2-inch meter | 140.00 |
| For 2-inch meter | 224.00 |
| For 3-inch meter | 420.00 |
| For 4-inch meter | 700.00 |

The Service Charge is a readiness-to-serve charge which is applicable to all metered service and to which is added the charge for water used computed at the Quantity Rate.

SPECIAL CONDITIONS

1. The established billing cycle is every other month (bi-monthly).
2. Applicants requesting water service that would cause the Coast Springs water system to exceed 250 service connections, or such higher number of connections as DHS may subsequently allow under Coast Springs water system's domestic water supply permit, will be placed on a waiting list. Once additional service connections become available, applicants on the waiting list will be notified in the order they were received. Any previously accepted application for water service in the Coast Springs water system will be revoked if proof of a valid building permit is not provided within 18 months of acceptance of the application for water service or March 17, 2003, whichever is later. Applicants who have had their approval revoked in this manner will be placed at the end of the waiting list. This Special Condition shall expire on November 30, 2006 absent further order of the Commission.
3. Any service to a residential customer not exceeding two units who requires a 1-inch meter only because of fire flow requirements to a fire sprinkler system will be billed at the above 5/8 x 3/4-inch meter service charge plus a \$2.50 surcharge.
4. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
5. Two residential water connections are reserved for the property formerly owned by Cynthia Christopher and Geronima Belen and subsequently sold to the Saint Anthony's Monastery. Those two reserved connections are exempt from the requirement to provide a building permit within 18 months or be dropped from the approved service connections list.
6. All bills are subject to credits as shown on Schedule RSF.
7. Qualifying low-income customers are eligible for credits as shown on Schedule RSF.
8. All bills are subject to the surcharge shown on Schedule RSF except bills to customers enrolled in the low-income RSF program.

The Service Charge is a readiness-to-serve charge which is applicable to all metered service and to which is added the charge for water used computed at the Quantity Rate.

SPECIAL CONDITIONS

1. The annual service charge applies to service during the twelve-month period commencing July 1, and is due in advance. If a permanent resident of the area has been a customer of the utility for at least twelve months, he may elect at the beginning of each year to pay prorated service charges in advance at intervals of less than one year in accordance with the utility's established billing cycle.
2. The opening bill for metered service, except from conversion from flat rate service, shall be the established annual service charge for the service. Where initial service is established after the first day of any year, the portion of such annual charge applicable to the current year shall be determined by multiplying the annual charge by one three-hundred-sixty-fifth (1/365) of the number of days remaining in the year. The balance of the payment of the initial annual charge shall be credited against the charges for the succeeding annual period. If service is not continued for at least one year after the period of initial service, no refund of the initial annual charges shall be due the customer.
3. The established billing cycle is every other month (bi-monthly). The billing cycle may be at longer intervals during the winter season.
4. The SDWBA (Safe Drinking Water Bond Act) surcharge is in addition to the water bill. This surcharge shall be identified on each bill. The surcharge is specifically for the repayment of the California SDWBA loan authorized by Decision No. 82-09-063.
