Southern California Edison's (Edison) CARE program will be applicable to customers residing within Edison's service area and Pacific Gas and Electric Company's (PG&E) CARE program will be applicable to customers residing within PG&E's service area. Total gross income shall include income from all sources, both taxable and non-taxable. The billed customer must not be a person who is claimed as a dependent on another person's income tax return.
2. Application and Eligibility Declaration: Proof of active participation in a CARE program or an application and eligibility declaration on a form authorized by the Commission is required for each request for service under this schedule. Renewal of a customer's eligibility declaration may be required consistent with CARE program renewal requirements, but not more often than annually. Customers, excluding qualified non-profit group living facilities, qualified agricultural employee housing facilities, and migrant farm worker housing centers, are eligible to receive service under this rate schedule at no more than one residential location at any one time, and the rate applies only to the customer's permanent primary residence.

5. Notice from Customer: It is the customer's responsibility to notify the Utility if there is a change in the customer's eligibility status.
6. Customers may be re-billed for periods of ineligibility under the applicable rate schedule.
7. The RSF-LIRA program approved in D.06-08-011 requires a \$10 credit for customers in Antelope Valley, Kern River Valley, and Redwood Valley districts regardless of the amount of a 5/8" x 3/4" service charge in those districts.
