

Schedule No. BG-5

Bear Gulch Tariff Area

SERVICE TO PUBLIC FIRE HYDRANTS

APPLICABILITY

Applicable to all water service furnished to public fire hydrants of a public authority; such as, a municipality, county, or other political subdivision of the State.

TERRITORY

The communities of Atherton, Menlo Park, Portola Valley, Woodside, and vicinity, San Mateo County. The Skyline service area in San Mateo County.

RATES

	<u>Per Hydrant Per Month</u>
For fire hydrants owned and maintained by the public authority, installed on a water main 4 inches in diameter, or larger	\$1.00
For fire hydrants owned by the Utility, installed on a water main 4 inches in diameter, or larger	\$1.50
For fire hydrants owned and maintained by the public authority, installed on a water main less than 4 inches in diameter	\$0.50
For fire hydrants owned by the Utility, installed on a water main less than 4 inches in diameter, or larger	\$1.00

SPECIAL CONDITIONS

1. Hydrants owned by the public authority will be installed, maintained, painted, inspected and relocated at the expense of the public authority. The utility will install and own the tee in the main, the hydrant branch and the control valve.
2. Hydrants owned by the Utility will be maintained by it. The Utility will install and own the tee in the main, hydrant branch, valve, bury and hydrant. The public authority will pay for the relocation of any hydrants owned by the Utility.
3. The above rates cover delivery of water used for fire protection and for no other purpose. For water delivered through fire hydrants for any other purpose, charges will be made therefore at the quantity rate under Schedule No. BG-1-NR, Nonresidential Metered Service.
4. The Utility will supply to the hydrant only such water at such pressure as may be available from time to time in the operation of the Utility's system.
5. Fire hydrants will be attached to the Utility's distribution mains only as authorized by the proper public authority. Such authorization must designate the ownership and size of hydrants and specifically state the location at which each is to be installed.
6. All rates are subject to the reimbursement fees set forth on Schedule UF.
7. A one-time surcharge of \$0.3243 is to be added to each bill after May 28, 2009, the effective date of Advice Letter 1922 to recover the amount paid to the CPUC for the Division of Ratepayer Advocates' audit of Cal Water's General Office.
8. A surcredit of \$-0.0167 is to be added to each bill on or after June 1, 2009, the effective date of Advice Letter 1923 to reflect, the Cost of Capital authorized by the CPUC in Decision 09-05-019. (N)
