SPECIAL CONDITIONS

1. The established billing cycle is every other month (bi-monthly).
2. Applicants requesting water service that would cause the Coast Springs water system to exceed 250 service connections, or such higher number of connections as DHS may subsequently allow under Coast Springs water system's domestic water supply permit, will be placed on a waiting list. Once additional service connections become available, applicants on the waiting list will be notified in the order they were received. Any previously accepted application for water service in the Coast Springs water system will be revoked if proof of a valid building permit is not provided within 18 months of acceptance of the application for water service or March 17, 2003, whichever is later. Applicants who have had their approval revoked in this manner will be placed at the end of the waiting list.
3. Any service to a residential customer not exceeding two units who requires a 1-inch meter only because of fire flow requirements to a fire sprinkler system will be billed at the above 5/8 x 3/4-inch meter service charge plus a \$2.50 surcharge.
4. All bills are subject to the reimbursement fees set forth on Schedule UF.
5. Two residential water connections are reserved for the property formerly owned by Cynthia Christopher and Geronima Belen and subsequently sold to the Saint Anthony's Monastery. Those two reserved connections are exempt from the requirement to provide a building permit within 18 months or be dropped from the approved service connections list.
