SPECIAL CONDITIONS

1. Any service to a residential customer who requires a larger meter and service line because of fire flow requirement to a residential fire sprinkler system will be billed at the rate for "1-inch meter and 1-1/2 -inch meter with residential fire sprinkler systems" and the quantity rate based on the quantity of water used. Determination of eligibility for this tariff condition will be determined by the utility at customer's request.
2. All bills are subject to the reimbursement fees set forth on Schedule UF.
3. The Utility undertakes to supply only such water at such pressure as may be available from time to time as the result of its normal operation of the system. Section 774 of the Public Utilities Code limits the liability of the Utility resulting from a claim regarding the provision of maintenance of an adequate water supply, water pressure, equipment or other fire protection facility or service. This limit of liability includes but is not limited to the construction and repair of fire protection facilities. Acceptance of service under this tariff is acknowledgement of notice of the provisions of Section 774 of the Public Utilities Code.
4. In accordance with Section 2714 of the Public Utilities Code, if a tenant in a rental unit leaves owing the company, service to subsequent tenants in that unit will, at the company's option, be furnished on the account of the landlord or property owner.
5. All bills are subject to the surcharges set forth on Schedule PB. (N)
