

Smart Irrigation Controllers Qualified Product List August 1, 2018

Please note: Controllers that require add-on devices only qualify if purchased with the identified add-on device listed with the controller. The combined controller and add-on device qualify for a single rebate. All controller systems must be installed with the proper weather sensor equipment according to manufacturer specifications.

For more information, please contact the Cal Water Conservation Department at conservation@calwater.com or visit www.calwater.com/rebates
