

Smart Irrigation Controllers Qualified Product List November 1, 2017

Please note: Controllers that require add-on devices only qualify if purchased with the identified add-on device listed with the controller. The combined controller and add-on device qualify for a single rebate. All controller systems must be installed with the proper weather sensor equipment according to manufacturer specifications. If a controller has been discontinued or the model name has been changed, please contact us at conservation@calwater.com to confirm product eligibility.
