Summary

This filing is to comply with Decision 11-05-020, Ordering Paragraph 11:

Each water utility with a low-income assistance program shall file a Tier 1 advice letter to update California Alternate Rates for Energy guidelines within 30 days after the Commission’s Energy Division sends its notice to establish the California Alternate Rates for Energy income guidelines.

Background

On May 5, 2011, the Commission issued Decision 11-05-020. This decision adopted guidelines for water and energy utilities with overlapping service territories to share low-income customer information in order to increase the participation rate. Ordering Paragraph 11 instructs Cal Water to file a Tier 1 Advice Letter to demonstrate compliance with the new income guidelines.

The energy utilities have a low-income rate discount called California Alternate Rates for Energy (“CARE”). Cal Water has a low-income rate discount called Low-Income Rate Assistance (“LIRA”). Both programs use the same income guidelines to qualify customers for rate discount programs. Each year, the CPUC updates the information which goes into effect on June 1 and covering a period from June 1st to the following May 31st. Cal Water has updated its website and all the LIRA enrollment forms to comply with this PUC order. The new eligibility guidelines will be in effect at Cal Water as of June 1, 2014:

Requested Effective Date

The current guidelines will be in effect beginning June 1, 2014 as required by the Commission.

Notice

This advice letter is filed in compliance with Commission orders. No customer notice is required. In accordance with General Order 96-B, General Rules 4.3 and 7.2, and Water Industry Rule 4.1, a copy of this advice letter will be mailed or electronically transmitted on April 10, 2014 to competing and adjacent utilities and other utilities or interested parties having requested such notification.

Response or Protest

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Division of Water and Audits within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Cities and counties requiring Board of Supervisors or Board of Commissioners approval to protest should inform the Division of Water and Audits within the 20-day protest period so a late-filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

The advice letter process does not provide for any responses, protests or comments, except for the utility's reply, after the 20-day comment period.

Replies: The utility shall reply to each protest and may reply to any response. Each reply must be received by the Division of Water and Audits within 5 business days after the end of the protest period and shall be served on the same day to the person who filed the protest or response.
