SPECIAL CONDITIONS (continued)

10. Opening Bill for Metered Service in RWV-Unified: Armstrong, Noel Heights, and Rancho Del Paradiso (not Hawkins)

The opening bill for metered service, except from conversion from flat rate service, shall be the established annual service charge for the service. Where initial service is established after the first day of any year, the portion of such annual charge applicable to the current year shall be determined by multiplying the annual charge by one three-hundred-sixty-fifth (1/365) of the number of days remaining in the year. The balance of the payment of the initial annual charge shall be credited against the charges for the succeeding annual period. If service is not continued for at least one year after the period of initial service, no refund of the initial annual charges shall be due the customer.

11. New Service in RWV-Coast Springs

Applicants requesting water service that would cause the Coast Springs water system to exceed 250 service connections, or such higher number of connections as DHS may subsequently allow under Coast Springs water system’s domestic water supply permit, will be placed on a waiting list. Once additional service connections become available, applicants on the waiting list will be notified in the order they were received. Any previously accepted application for water service in the Coast Springs water system will be revoked if proof of a valid building permit is not provided within 18 months of acceptance of the application for water service or March 17, 2003, whichever is later. Applicants who have had their approval revoked in this manner will be placed at the end of the waiting list.

12. Exemption for Saint Anthony's Monastery in RWV-Coast Springs

Two residential water connections are reserved for the property formerly owned by Cynthia Christopher and Geronima Belen and subsequently sold to the Saint Anthony’s Monastery. Those two reserved connections are exempt from the requirement to provide a building permit within 18 months or be dropped from the approved service connections list.

- 13. Water and Power Expense Increase:** Beginning on July 31, 2023, rates in this area will reflect a 5.9% revenue increase (as compared to the revenue approved in Advice Letter 2454) due to higher charges by the Bay Area Water Supply and Conservation Agency, San Francisco Public Utilities Commission, and Pacific Gas and Electric Company.
