Application for Service

A. Application for Service

(T)

Each applicant for water service may be required to complete a form provided by the Utility, an application which will set forth:

1. Date and place of application.
2. Location of premises to be served.
3. Date applicant will be ready for service.
4. Whether the premises have been heretofore supplied with water by the Utility.
5. Purposes for which service is to be used.
6. Address to which bills are to be mailed, or delivered.
7. Whether applicant is owner or tenant of, or agent for, the premises.
8. Rate schedule desired where optional rates are in effect.
9. Such other information as the utility may reasonably require.

The application is merely a written request for service and does not bind the applicant to take service for a period of time longer than that upon which the rates and minimum charge of the applicable rate schedule are based; neither does it bind the Utility to serve, except under reasonable conditions.

B. Individual Liability for Joint Service

Two or more parties who join in one application for service shall be jointly and severally liable for payment of bills and shall be billed by means of single periodic bills.

C. Change in Customer's Equipment

Customers making any material change in the size, character or extent of the utilizing equipment or operations for which the Utility is supplying water service shall immediately give the Utility written notice of the extent and nature of the change.

D. Use of Water Without Application for Service Having Been made

Any person or firm taking possession of and using water without having made application to the Utility for service, shall be held for the full amount of the service rendered.
